1. Fifty percent or greater ownership by women. The chart lists law firms based in New York. The identities of the law firms listed were obtained from various sources, including Web searches, responses to notices placed in the New York Law Journal (print and online), and the assistance of the Women's Bar Association of the State of New York. All firms that appeared eligible for listing were contacted; firms that did not respond or did not wish to be included are omitted.

2. Ranked by number of permanent, full-time attorneys as of June 1, 2013, and listed in alphabetical order in the case of a tie. For firms with more than one office, the main one is listed.
